

TM1: Application to add a Transport Manager to a licence

In order for you to be accepted as a transport manager on a licence or licences a traffic commissioner must be satisfied that you are of good repute, have an acceptable qualification, and have the ability to ensure that the licence(s) for which you have responsibility are continuously and effectively managed.

Filling in the form

This form is to be completed by the nominated transport manager and returned to the office of the traffic commissioner at the [Central Licensing Office](#) (CLO) by the applicant for the licence or the licence holder.

Guidance notes [TM1G](#) are provided to help you to complete this form, and to make sure you provide the correct documentation in support of your application. Many applications are delayed because the required information and documentation are not received. To prevent this from happening you must read the guidance notes for each question carefully so that you complete the form correctly. You should also consult the [Senior Traffic Commissioner's Statutory Guidance and Statutory Directions on transport managers](#).

If you have any further questions about filling in this application form, or a general query regarding operator licensing, please call the contact centre on 0300 123 9000*
